

SESSION 8

Flask Dashboard

Data Science Program

Outline

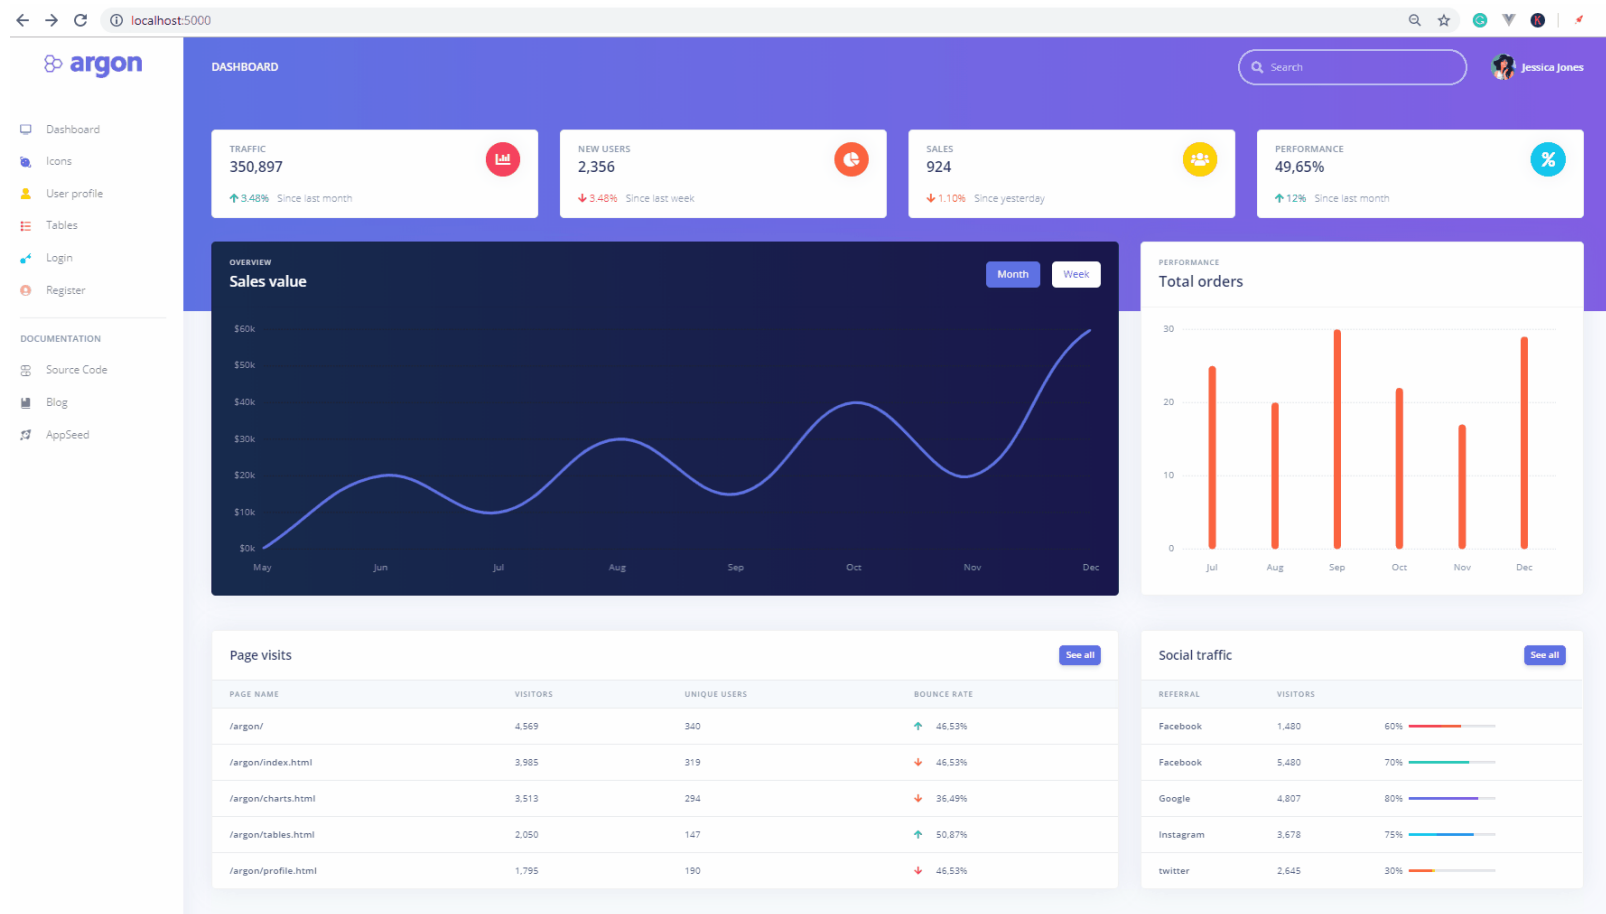

- Introduction Dashboard Using Flask
- Dashboard Preparation
- Create Dashboard

SESSION 8

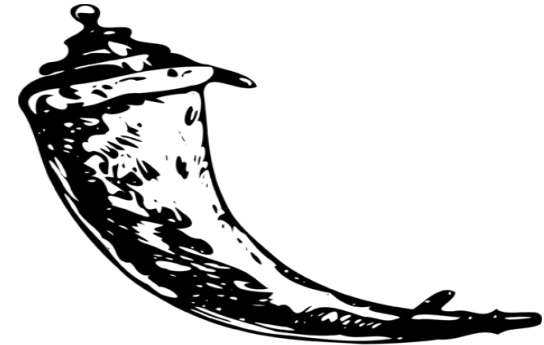

Flask Dashboard

Introduction Dashboard Using Flask

DASHBOARD

DASHBOARD WITH PYTHON

Flask

HTML
5

IS DASHBOARD IMPORTANT?

Data Scientist/Analyst Has No Problem To See Raw Data and working with tools like Python to Visualize and Analyze Data, But how about others?

Programmer maybe has no problem, but other role which unfamiliar with programming language?
